

School Year 2009-10

Dear Wiseburn Education Foundation supporter,

We would like to take this opportunity to thank you, our supporters, for your ongoing commitment and generous donations in previous school years. Our annual spring fundraiser, Rock Around the Block, has been very successful and has allowed us to expand our financial support to include education programs at all four district schools. The WEF is pleased to provide funding for both the district music program and the nutrition program, Growing Great. Both of these programs are successful and expanding.

Ongoing concerns with the California state budget create problems for school districts across the state. In response, the Wiseburn Education Foundation is working even harder to provide the crucial funding needed for our schools to continue to exceed state and federal education requirements. All of our schools offer outstanding academic instruction and they deserve our support. For the school year 2009-10 our fundraising goal is to raise \$200,000. Here are some ways you can participate:

- On our website, wiseburnedfoundation.org, click the link "Please Donate Now" and use your credit card to donate.
- Send a check to: Wiseburn Education Foundation
13530 Aviation Boulevard

- Donate an item from your company to our Silent Auction, a major part of our annual fundraiser, Rock Around the Block. Mail or leave items at the address, above.
- Sign up for any of several co-chair positions, at about 10 hours each, to help produce Rock Around the Block, 2010.
